No semi-tractors or tractor-trailers shall be allowed to park within the Subdivision, whether outdoors or indoors, except as may be necessary during construction or for deliveries.
- d. No vehicle known as a four-wheeler, "side-by-side," ATV, dirt bike, mini-bike, go-cart or similar type vehicle shall be used on the Real Estate, including the Roadway, unless such vehicle has a valid license plate and is equipped so that it may be legally operated on the public roads of Indiana. This restriction shall not restrict the use of golf carts on the Roadway, provided such use is first approved by the Town of Plainfield. All golf carts operated after dark must be equipped with and use headlights and taillights. Flashlights or other portable lights are not an acceptable substitute. All motorized vehicles must be operated by an individual holding a valid state-issued driver's license.
- e. No automobile, bus, camper, motor home, trailer, boat, other watercraft, snowmobile, motorcycle or other similar vehicle shall be stored on any Lot unless housed within a garage building. For purposes of this section a vehicle shall be considered "stored" if inoperable, put on blocks or covered with a tarpaulin and it remains in such condition for a period of seven (7) consecutive days. No automobile, bus, camper, motor home, trailer, boat, other watercraft, snowmobile, motorcycle or other similar vehicle shall be left on the Roadway for a period of two (2) consecutive days. Vehicles left in violation will receive a warning letter from the Association to comply or if no response may be towed by Association and at Owner's expense.

- f. There shall be no unlicensed and/or inoperable motor vehicles, boats, trailers, etc. kept or maintained outdoors within the Subdivision. Any such items shall be stored and maintained within the attached garage.
- g. There shall be no vehicle maintenance or repair conducted outdoors within the Subdivision, except for washing and waxing.

### **Section 3. Obligations to Protect the Enjoyment of Other Members and Guests**

- a. No noxious or offensive activities shall be carried on or performed within the Subdivision which shall constitute a nuisance to the Owners or occupants of other Lots. Owners and their guests shall keep easements, Lots and Common Properties free of all trash, rubbish and refuse.
- b. No Owner shall burn garbage or other refuse on any Lot, nor shall any Owner accumulate out-of-doors any such refuse on any Lot.
- c. Owners shall maintain their Lots in an orderly manner and shall trim trees and other vegetative growth in such a manner as to allow passage and visibility for drivers using the Roadway. If there is disagreement as to whether adequate passage or visibility is provided in any circumstance, the decision of the Association in such matter shall be final.
- d. Owners shall maintain all areas of their respective Lots up to the Roadway.
- e. Camping is not permitted in the Subdivision.
- f. Use of firearms on the Real Estate is prohibited. There shall be no hunting, trapping or other molesting of animals within the bounds of the Subdivision, except that moles may be trapped.
- g. Dogs, cats or other usual household pets may be kept on a Lot so long as such pets are not kept, bred, or maintained for any commercial purpose; and further provided the number of pets meets the Town of Plainfield Ordinance regulation on this subject matter. Domesticated animals shall be fenced and shall not run loose or become a nuisance to any Owner. Underground electrical or similar fencing that serves to keep domesticated animals such as dogs on the applicable Owner's Lot shall be deemed acceptable fencing. There shall be no farm animals kept within the bounds of the Subdivision. The Association may regulate and control the maintenance of household pets by publishing rules and regulations as it deems necessary from time to time.
- h. No dog houses or kennels are permitted on any Lot, nor are animals to be left chained on any Lot. All animals are to be kept on a leash while outside if not within a fence. The owner of an animal is responsible for cleaning up residue left by the animal.

- i. Prior to home construction, all Lot frontages shall be mowed a minimum of every two weeks during the grass growing season; with the remainder of the Lot mowed a minimum of every two months. After home construction, all Lots shall be mowed a minimum of every ten (10) days during the grass growing season. At no time shall any Lot have grass height in excess of twelve (12) inches.
- j. Each Lot Owner shall at all times maintain the Lot and any improvements thereon to prevent the same from becoming unsightly by removing all debris, rubbish, dead trees, and other materials or conditions that reasonably tend to detract from or diminish the aesthetic appearance of the subdivision, and by keeping the exterior of all improvements in a good state or repair. Owners shall be solely responsible for the trimming of all trees, plants, shrubs and/or bushes on their Lot. No Lots shall be used or maintained as a dumping ground for rubbish, garbage or other waste, and same shall not be kept, except in sanitary containers out of view from the street, except on days of collection
- k. It is the responsibility of the Lot Owner to maintain a clean and safe construction site during construction of the dwelling, or any other improvement upon their Lot. Such responsibility shall be placed upon the Lot Owner's builder/contractor by including such language in any construction contract concerning construction on the Lot. Immediately upon commencement of construction activities, a stone driveway area shall be created on the Lot to minimize mud and debris carryover to the Roadways. In order to ensure the continued operation of the underground street drains, building contractors must be required by the contractual agreement signed the Lot owner to clear streets of any excess mud or dirt that is tracked by construction vehicles on a daily basis. Loose trash shall not be allowed on the Lot or to carry over any Lot line. If the construction site is not maintained in conformity with this section, the Association reserves the right to perform such cleanup functions that it deems necessary to protect the interests of the Subdivision and will invoice the violating Lot owner for any such costs or damages, which invoice shall be an obligation of the subject Lot Owner to pay, same as an assessment under Article V of this Declaration. During construction of the primary dwelling, the Lot Owner, or their contractor, shall be required to provide and maintain on-site, at a minimum: (1) sanitation service in form of a portable toilet; and (2) a minimum six (6) yard roll off dumpster for all construction trash and debris.

**ARTICLE VIII**  
**DEVELOPER'S ACCESS RIGHTS**

Developer hereby declares, creates and reserves an access license over and across all of the Real Estate for the use of Developer and its representatives, agents, designees, contractors and affiliates during the period in which Developer owns any Lot, other than Lot(s) owned by Developer for Developer's personal residential purposes. Notwithstanding the foregoing, the area of the access license created hereby shall be limited to that part of the Real Estate which is not in, on, under, over, across or through a building or the foundation of a building properly located on the Real Estate. The parties for whose benefit this access license is herein created and reserved

shall exercise such access rights only to the extent reasonably necessary and appropriate and such parties shall, to the extent reasonably practicable, repair any damage or destruction caused by reason of such parties' exercise of this access license.

**ARTICLE IX**  
**DURATION; AMENDMENTS**

**Section 1. Duration; General Amendments**

The covenants, obligations, rights, duties, liabilities, terms and provisions established in this Declaration shall run with the Real Estate and shall be binding on all parties claiming under them for a period of twenty (20) years following the date of recordation of this Declaration. Following such initial twenty (20) year period, this instrument shall thereafter be automatically extended for successive periods of ten (10) years unless an instrument signed by the owners of record of a majority of the Lots has been recorded in the office of the Recorder of Hendricks County, Indiana changing, modifying or terminating this Declaration in whole or in part; provided, however, that no modification or termination of this Declaration shall terminate or otherwise affect any easement hereby created and reserved unless all persons and entities entitled to the beneficial use of such easement shall consent thereto.

Notwithstanding the foregoing, this Declaration may be amended at any time following the Applicable Date and during the initial twenty (20) year term by an instrument signed by the then owners of record of at least seventy-five percent (75%) of the Lots, recorded in the office of the Recorder of Hendricks County, Indiana, changing or modifying the terms of this Declaration in whole or in part; provided, however, that no modification or termination of this Declaration shall terminate or otherwise affect any easement hereby created and reserved unless all persons and entities entitled to the beneficial use of such easement shall consent thereto.

Notwithstanding any other provision of this Article IX, no amendment to this Declaration shall be adopted which constitutes an Amendment of a Material Nature (as such term is hereinafter defined) unless approved by a vote of eighty-five percent (85%) in the aggregate of both classes of members of the Association. For purposes of this provision, the term "Amendment of a Material Nature" means any amendment to this Declaration that:

- a. Changes or reduces the voting rights of the Class A member(s);
- b. Allows the Board of Directors to increase in any particular year the amount of the monthly assessment by more than ten percent (10%) over the previous month's assessment amount;
- c. Terminates the rights of the Owners to use any of the Common Properties in a manner allowed by this Declaration;
- d. Changes the boundaries of any Lot;
- e. Permits the convertibility of Lots into Common Properties; or
- f. Imposes any new restrictions on an Owner's right to sell or lease its Lot.

## **Section 2. Amendments by Developer**

Developer hereby reserves the right, so long as Developer or any entity related to Developer owns any Lot (other than a Lot owned for Developer's personal residential purposes), to make any technical amendments to this Declaration without the approval of any other person or entity, for any purpose reasonably deemed necessary or appropriate by the Developer, including without limitation: (i) to bring Developer or this Declaration into compliance with the requirement of any statute, ordinance, regulation or order of any public agency having jurisdiction thereof; (ii) to conform with zoning covenants and conditions; (iii) to comply with the requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Veterans Administration or any other governmental agency, or to induce any of such agencies to make, purchase, sell, insure or guarantee first mortgages; or (iv) to correct clerical or typographical errors in this Declaration or any amendment or supplement hereto; provided, however, that in no event shall Developer be entitled to make any amendment which

has a material adverse effect on the rights of any Mortgagee, or which substantially impairs the rights granted by this Declaration to any Owner or substantially increases the obligations imposed by this Declaration on any Owner.

### **Section 3. Recording**

Each amendment to this Declaration need be executed only by Developer in any case where Developer has the right to amend this Declaration without any further consent or approval, and otherwise by the President or Vice President of the Association and the Secretary of the Association; provided, however, that any amendment requiring the consent of Developer pursuant to provisions contained elsewhere in this Declaration shall contain Developer's signed consent. All amendments shall be recorded in the office of the Recorder of Hendricks County, Indiana, and no amendment shall become effective until so recorded.

Available relief in any such action shall include recovery of damages or other sums due for such violation, injunctive relief against any such violation or threatened violation, declaratory relief and the recovery of costs and attorneys fees reasonably incurred by any party successfully enforcing such covenants, conditions and restrictions; provided, however, that neither Declarant nor any Owner nor the Association shall be liable for damages of any kind to any person or entity for failing or neglecting for any reason to enforce any such covenants, conditions or restrictions.

No delay or failure on the part of any aggrieved party, including without limitation the Association and the Declarant, to invoke any available remedy with respect to any violation or threatened violation of any covenants, conditions or restrictions enumerated in this Declaration or in a plat of any part of the Real Estate shall constitute a waiver by that party of, or an estoppel of that party to assert, any right available to it upon the occurrence, recurrence or continuance of such violation.

**Section 3. Severability**

Invalidation of any of the covenants, conditions or restrictions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect.
